

# Fox Trot 5K Run/Walk Course Map

The Batavia Mothers' Club Foundation's Fox Trot is a loop course that follows the scenic Fox River from Batavia to the Fabyan Park in Geneva. From the start on Houston Street, the course heads east across the pedestrian bridge. The course then turns north on the bike path, on the east side of the Fox River. At Fabyan Park, the course turns west and crosses two bridges. Once on the east side of the river, the course heads south back to Houston St. The race finishes on the sidewalk just past the fountain.
